

# Wildlife Science Center Wolf Camp 2012

## Overnight Wolf Camp

Overnight camp—three days and two nights of fun-filled learning about plants and animals at the Wildlife Science Center. This Monday through Wednesday camp experience teaches radio telemetry tracking techniques, archery skills, animal and plant ID, hands-on science data collection and much more.

**Ages 10-17**

## Overnight Sessions

**Session 1: July 9-11**

**Session 2: July 16-18**

**Session 3: July 23-25 Girls' Camp**

## Wolf Day Camp

Adventure and fun should be a part of every child's summer. Wolf Day Campers will participate in a unique outdoor experience with wolves, black bears, coyotes, foxes, skunks, lynx and raptors. Each five day session is filled with wildlife activities, radio telemetry, archery, games and crafts.

**Ages 8-15**

## Day Camp Sessions

**Session A: Jul. 30-Aug. 3**

**Session B: Aug. 6-10**

**Session C: Aug. 13-17**

## Cancellation Policy:

Cancellations made no less than 10 days prior to the program will be refunded at 75% of the program fee. No refunds will be made less than 10 days prior to the program.

## All Campers will Receive:

Wolf Camp t-shirt, plaster wolf track, real-life science experience, session photo, and FUN. Return campers will receive a special gift.
